Editorial by Jon Segger

Welcome to the November 2013 edition of Valve Bounce.

I hope you all survived the recent storms OK. Down in Suffolk we had it fairly bad – quite a lot of damage and no power for 48 hours. However, I can now say that I've cooked spaghetti bolognese on a barbecue...

Derek tells me that Peter Horsburgh has been ill and is in Kings Lynn hospital. Here's wishing him a speedy recovery!

Thanks to all those who sent contributions for this month's edition.

Until next month...

Committee meeting

Chairman's spot – FULL CHAT

It's not often that I use the term gutted! But I think I speak for all the committee members who felt the same way when we found out we had to cancel our Lynn Charity Stages Rally. This was due to the military using it for training. We hire it with the understanding that this could happen at any time, but it has never happened before.

It's a great shame because a lot of pre-event selling of the rally took place and the response was very favourable. I am confident that we would have had a full entry. Entries were still coming in and were past 50 at the time we had to call a halt to the event. The good news is that everything is ready to go for next year!

We will be sending out invitations to all crews who had entered this year and they will get preferential treatment if they wish to enter for 2014, after all, they have supported the club in entering this year. It's only fair they should get first chance.

After missing out on a clubnight due to the organiser having family problems due to illness, you will be pleased to hear that the 'Great Oktober Rally' will be taking place on the 6 November 2013! Please check out the advert further in this month's Valve Bounce. As usual I will need help to run it, many thanks to those who have committed their help already but I always need more! That's marshals and competitors! There will be the usual 4 classes of navigation, so there is something for all levels. End of sections are given on all instructions to help if you get stuck on a particular section. Please contact me on 01553 810070 or pauln.haylock@virgin.net to offer your services, thanks.

Progress seems to be coming along well with our annual Dinner Dance. Watch out for details soon in the Valve Bounce and on the Web Site. Paul Davison and Mark Banham are the organisers for this year, taking over from Helen and myself who have been at the helm since the late 1990's. Please give them your support and attend the Dinner if you can, even if you haven't won an award. It's always a great evening and it's nice to chat over "what if's" and "I should have's"! A lot of hard work goes into making it a success; why not get a table up with some friends? As I said, details very soon.

Please try and attend the next clubnight, we have 10 controls to man! See you there!!

Breaking news: Committee member Edward Haylock and his wife Kelly, are now the proud parents of a baby daughter, Ava Grace. Born on 25th October, weighing in at 7lb 8 oz. Mum and baby doing well.

So that will plus 1 on the membership!!!

THE GREAT OKTOBER RALLY

EXPERT / SEMI EXPERT /NOVICE and BEGINNERS CHAMPIONSHIP ROUND

ENTRIES REQUIRED.

Refreshments afterwards and cheap beer! **PLEASE** contact me on 01553 810070 or pauln.haylock@virgin.net for an entry sooner rather than later, first 12 get a run.

As agreed at the last AGM the entry fee has had to go up to £12 pounds per crew. This has been done to ensure we can run the events and continue to enjoy some food afterwards which everyone seems to enjoy with a beer or soft drink.

I can't remember the last time we put the entry fees up and £12 pounds still represents excellent value.

On event insurance will be available.

IF YOU ARE A K.L. MEMBER AND CAN HELP BY MARSHALLING, PLEASE COME AND HELP! I HAVE TEN CONTROLS AND I NEED TO MAN THEM ALL! YOUR CLUB NEEDS YOU !

INSURANCE

For 12 car Navigation Rallies competitors must have in place the appropriate insurance, to cover you for motorsport. It be your own extended policy or insurance purchased for each event.

We have now tied up with Jelf Insurance Partnership to offer cover for each 12 car. Cover is only **£12.50** (inc IPT) per competitor per event, which is significantly cheaper than other rally insurance that is available. To get the policy at this standard rate the driver must be able to comply with the following statements.

I declare that:

- I am aged 20 or over
- I have had no more than 1 fault claim in the last 3 years
- I have no more than 6 conviction points on my licence
- I have a UK/EU driving licence and if my licence is provisional I will be supervised by an adult over 25
- I have no Mental or Physical disabilities
- I have no other Material Facts to disclose

IMPORTANT:

Material Facts are those facts likely to influence the Acceptance or assessment of your risk by the Insurer. Failure to disclose Material Facts may lead to the Insurer declaring the insurance cover put in place to be null and void. If you are in any doubt about facts that may be considered to be material these should be disclosed for your own protection.

All Material Facts must be disclosed.

If you are not able to comply with the above declaration you will have to get a Letter Of Acceptance from the insurers, who may increase the premium, before cover can be provided for the event.

Please contact the event organiser as soon as possible for a declaration form in advance of the event.

If you are able to comply you can simply sign a declaration on the night and pay your £12.50.

For further information on this and other motorsport insurance contact Jaz Bareham, Jelf | Insurance Partnership on 07583 677259

MARSHALS' CORNER

*Marshals are required for
the following Events:-*

Championships – rule change

The club are looking at proposing a rule change at the next AGM.

The rule change is to count all results of the off-road championship instead of counting the 3 highest results for each competitor.

There is a similar change proposed to the clubnight rally championships where instead of counting the 6 highest out of the 8 results we are going to count the 7 highest out of the 8.

Look out for further communication in Valve Bounce and at the AGM.

Edward Haylock.
