

King's Lynn DMC Newsletter

Happy New Year everyone. Welcome to the first newsletter of 2018. I trust you all had a good festive season and are looking forward to what 2018 will bring.

The first event of 2018 will be the Mercury Trophy Inter-club 20/20 Rally. This is on the 6th January and starts from the Old Ram Inn, Tivetshall St Mary. We have a team from the club heading over to do battle. Good luck guys.

Thank you to Peter Horsburgh and Adrian Cunnington for organising the Docking Stocking Rally last month. Well done to Bob & Brian on winning that one. Tim and I had a reasonable run but missed a couple of boards, but it was a great route though.

On the 10th of January the new 12 car championship kicks off with the Smalley's event, starting from West Acre Stag. There are currently 12 entries but the event will take be pleased to see marshals. Contact Mathew or Paul Smalley for further information.

On the 18th February it's the Snetterton Stage Rally, and it looks like we'll have a full entry as we've already received 91 entries. If you would like to assist/marshal please sign up <https://form.jotform.com/73090824858970>
All the details of the event are at <http://www.snettertonstagerally.co.uk/>

Talking of Mathew Smalley, he and I had a great run on the Preston Rally last month, coming home winners. My first Preston was in 2001 and I've been slowly climbing the ranks ever since. The club, generally, had some great results from the crews. Well done to everyone who took part. Further details are in my (rather long) report.

We may have to change the date of the AGM and awards evening, due to unforeseen circumstances. Watch the social media and emails for details of when it will be. Remember, we're looking for new people to join the committee and have an input into the club. So if you fancy being part of it please do get in touch if you have any questions. This year's AEMC Training day is on Saturday 3rd February 2018 at Cambridge Regional College. For more information and to register to attend for this link. <http://aemc.org.uk/MarshalTraining> I recently found a selection of useful motorsport safety films here on the Motorsport Safety Fund. Please take a look. <https://www.motorsportsafetyfund.com/films/>

We've had a few requests for club clothing lately, so we've spoken to Double G clothing in King's Lynn about what they have. They have the club logo on file and can put it on any garment. The easiest way to do this is for anybody who would like something can go to Double G and order and pay for their clothing themselves. Double G's number is 01553 777635. Here is a selection of clothing: (thanks to Richard Felton for sorting this)
