CRO

The Mercury Trophy Rally
Novice

From TC8 at 536½ 073 to TC9 at ENE 494½ 121

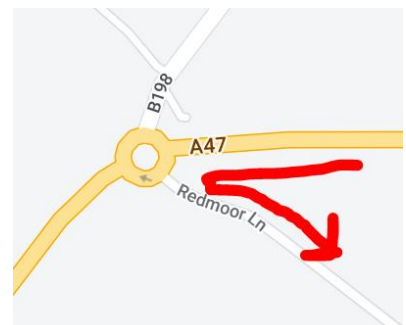

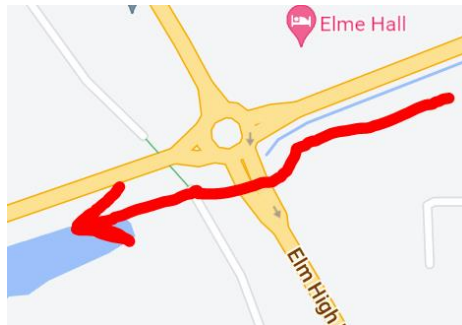

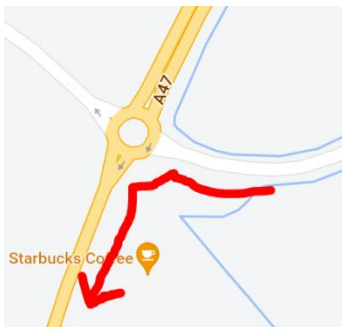

CRO

The Mercury Trophy Rally
Novice

From TC9 at 496 122 to TC10 at NW 452½ 068

This is a link section and has very relaxed timing. If you require fuel, now is the time to get it as time has been allowed for this. The fuel station is on the left turn just after the TC and before the roundabout. Follow the 3 roundabout instructions below to get to TC10.

CRO

The Mercury Trophy Rally
Novice

From TC10 at 452½ 068 to TC12 at SSW 476 062

Avoid the following grid references in order.

455 064
449 054
474 049
467 052
458 063½
496 019
485 048

CRO

The Mercury Trophy Rally
Novice

From TC12 at 476 062 to TC13 at WSW 509¾ 066½

Use junction at 488 980½ as a reference and then solve the sum below.

NNE road – SE road = Go via

CRO

The Mercury Trophy Rally
